

## Wire mesh tray 3 m 200 mm

E-no — MP-no 723S3

Wire mesh tray in a õlightõ version with thinner wires. The diameter of the wires is 4 mm. The ladder is made of pre-galvanised steel and is suitable for environmental class max C1. The ladders are treated before welding so they may feel a little sooty around the welds but this will heal over time. All accessories intended for wire mesh trays also fit the õlightõ version. Meets the requirements for lightweight cable ladders according to EL-AMA. Can be ordered painted in any colour.
