

Pendant bracket tray 100-600 mm

E-no — MP-no 931S

Pendant bracket for centrally suspended support yokes for cable ladders, cable trays and luminaire rails with a width of 100–600 mm. The pendant bracket is made of Sendzimir galvanised sheet (20 µm) and is suitable for environmental class max C2. Install in an internal splice or support yoke by folding the legs into the groove on the splice/support yoke and then fixing with bolt set M8x16 mm (11 157 11) to a pendant rail or fitting together with threaded rod bracket 11 175 01.
