

Pendant bracket tray 100-600 mm

E-no — MP-no 931V

White-painted pendant bracket for centrally suspended support yokes for cable ladders, cable trays and luminaire rails with a width of 100–600 mm. The pendant bracket is made of powder-coated sheet metal and is suitable for environmental class max C2. Install in an internal splice or support yoke by folding the legs into the groove on the splice/support yoke and then fixing with bolt set M8x16 mm (11 157 11) to a pendant rail or fitting together with threaded rod bracket 11 175 02.
