

Wallbracket 25 mm For TB1010 and TB1040

E-no — MP-no TBE5

A wall bracket that is specifically designed to perfectly fit aluminum wall duct channels without built-in mounting grooves. It is ideal for channels like TB1010 and TB1040, providing a stable and secure wall mounting solution. The recommended distance between the brackets is 1 meter to ensure even distribution and stability along the channel.
