

## Mounting plate perforated 180x120 mm

E-no — MP-no 739V

White-painted, perforated mounting plate for mounting boxes, sockets etc. on wire mesh trays. The mounting plate is made of powder-coated sheet metal and is suitable for environmental class max C2. Hooks easily into the side of the wire mesh tray and can be locked by folding the tongues around the rungs. Can be fitted at an angle of 45° by mounting it over a longitudinal rung on the side and one at the bottom of the wire mesh tray.
